

DAY 14

Final Excel Project

Aakhri din: pichhle 13 din me jo bhi seekha hai usko ek complete project me use karna hai. Yeh project aapki Excel skills ka proof hai aur portfolio me kaam aayega.

Project Ideas (Koi Ek Chuno)

- Sales Analysis Dashboard: region, product aur month-wise sales.
- HR / Employee Report: department-wise salary, attendance, headcount.
- Student Result Analysis: marks, grades, toppers, pass percentage.
- Expense Tracker: monthly kharche, category-wise analysis aur budget vs actual.
- Inventory Report: stock level, reorder alert, supplier-wise data.

Project Steps

1. Data: kam se kam 100 rows ka dataset lo ya khud banao.
2. Cleaning: TRIM, PROPER, Remove Duplicates aur Text functions se data saaf karo (Day 2, 7, 8).
3. Table: data ko Table me convert karo aur naam do (Day 2).
4. Formulas: IF, SUMIFS, COUNTIFS, aur Date functions se naye columns banao (Day 3 se 5, 9).
5. Lookup: XLOOKUP ya VLOOKUP se doosri table ka data jodo (Day 6).
6. Pivot: 3 se 4 pivot tables banao aur slicers lagao (Day 10, 11).
7. Charts: pivot charts banao (Day 12).
8. Dashboard: sab kuch ek Dashboard sheet par lao (Day 13).

Final Checklist

- Data sheet, Calculations sheet aur Dashboard sheet alag hain.
- Koi formula error (#N/A, #DIV/0!, #REF!) nahi hai.
- Number formats sahi hain (currency, percentage, date).
- Sabhi slicers sabhi pivots se connected hain.
- Sheets ke naam clear hain aur dashboard par title likha hai.
- Final file ka naam: Final-Excel-Project.xlsx

Important Formulas / Shortcuts

Formula / Shortcut	Kaam (Purpose)
Ctrl + T	Table
=SUMIFS(...)	Condition wali sales
=XLOOKUP(...)	Lookup
=IFERROR(...,"")	Errors hatao
Alt + N + V	PivotTable
Alt + F1	Chart

Practice Tasks

1. Project ka topic chuno aur data taiyar karo.
2. Kam se kam 1 lookup, 1 SUMIFS/COUNTIFS aur 1 IF formula use karo.
3. Kam se kam 3 pivot tables aur 3 charts banao.
4. Slicers ke saath ek final Dashboard taiyar karo aur file save karo.

Pro Tip: Project submit karne se pehle ek baar khud ko user ki jagah rakhkar dashboard use karke dekho. Kuch bhi confusing lage to theek karo.
